# Profile Picture Instructions

Employee Photos

## Summary Instructions:

**Framing:** Picture should, at <u>minimum,</u> include mid-chest to head in frame
- Tip#1: Larger framing (i.e. Full body) is **better** than smaller frame (i.e. just face). Images can always be cropped down, not UP.
- Tip#2: Empty Space should be left **above** the head (allows for picture cropping)

**Posing:** Look directly at the camera (eye-level), pleasant demeanor, no hands touching face, no hats

**Picture Quality:** Highest resolution possible (iPhone/Android camera quality acceptable)
- Tip: File Size should be over 4MB

**Background:** Use solid color background if possible

**Attire:** Business Professional

**Where do I send my updated profile picture?**
- Attach and Email picture to: telehealthsupport@cheservices.com
